State Rep. Kevin M. DelGobbo, R- 70th, Naugatuck, announced that a new timing system and scoreboard have recently been installed at the Naugatuck High School swimming pool in time for the start of the girls swim team season.

Rep. DelGobbo said the improvements were made possible by a \$50,000 state grant he secured with the assistance of the local Naugatuck legislative delegation.

Rep. DelGobbo said, “These improvements to the high school pool are part of an overall upgrading of the Naugatuck high school athletic facilities, along with renovations to the high school auditorium and other facilities.”
